

**Associate of Arts from Pima Community College to transfer to
Northern Arizona University Bachelor of Science in Nursing (Traditional)**

The NAU academic catalog is the official source for all academic requirements and policies. Any discrepancies from other sources will default to the catalog.

Transfer Plan 2025-2026

NAU Transfer Plans are a unique tool designed to help guide your academic journey from community college to NAU.

To be completed at Pima Community College:

☐ Associate of Arts. An Associate of Arts incorporates an AGEC-A : What is an AGECE? The Arizona General Education Curriculum (AGEC) is the foundation of a community college education in Arizona. Successfully completing the AGECE means all AGECE courses will transfer as a block to NAU. An AGECE is incorporated into some Associate degrees, and some degree requirements will also fill AGECE requirements. NAU encourages, but does not require completion of an Associate degree, or an AGECE. Please work with your Pima Community College advisor and your NAU transfer representative to identify your optimal transfer pathway.

☐ Preprofessional Requirements to be completed at Pima Community College. - *(Multi-use credits, may also fill AGECE or Associate degree requirements.)*

BIO 181 OR CHM 130 with lab	Introductory Biology or Fundamental Chemistry
