

How to look up prior incidents in Salesforce

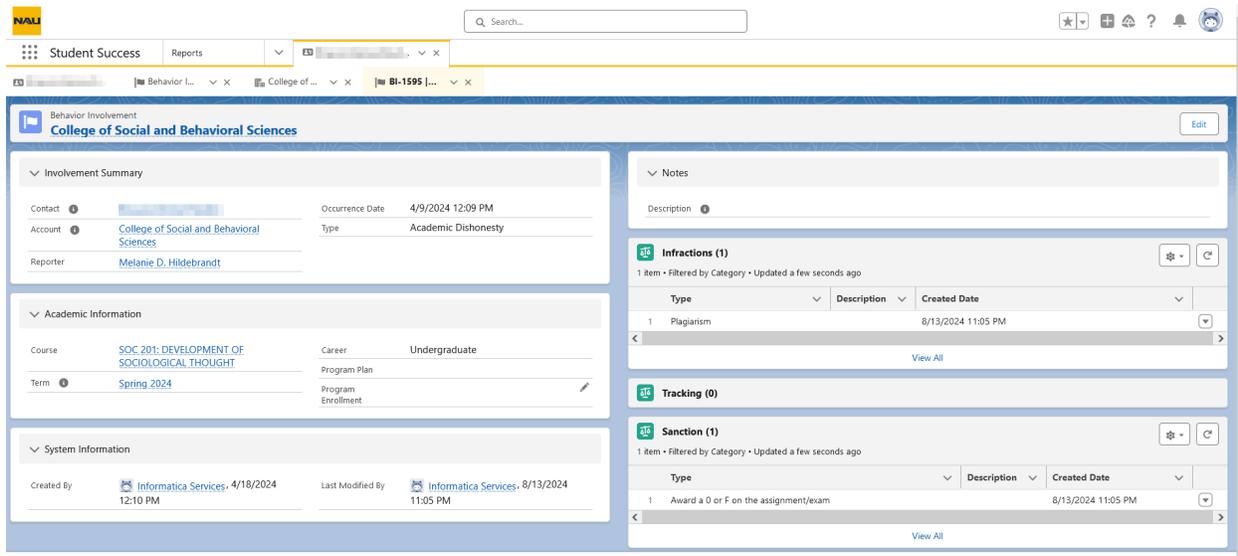

1. Sign in to Salesforce; search student name or ID; select Contact.
2. Click Behavior Involvements in the Related List Quick Links to open list. A '0' indicates no priors.

3. Click Behavior Involvement Case Number to open details.

4. Incident Details

5. Record prior incidents in tracking section of the form. Enter '0' if no priors.

 **Number of prior offenses** *System checked; number indicates known priors.*
