Transfer Plan – 2025-2026

NAU Transfer Plans are a unique tool designed to help guide your academic journey from community college to NAU.

To be completed at Northland Pioneer College:

- ☐ [Associate](#) degree coursework.
NAU recommends taking ENL 102 in place of ENG 109. ENL 101 and 102 will meet an AGECE requirement.
- ☐ [AGECE](#) Requirements: The Arizona General Education Curriculum (AGECE) serves as a key component of many community college programs in Arizona. While not mandatory, completion of an AGECE satisfies all General Education requirements at NAU. In some cases, the AGECE is embedded within Associate degree programs, and many degree-specific courses simultaneously satisfy AGECE criteria.
- ☐ Additional transferable credits to reach maximum possible transfer of 90 credits. Work with your Community College advisor and your [NAU Transfer Representative](#) to identify which courses transfer to NAU.
