DOCUMENTATION OF TEACHING EXPERIENCE FOR Ph. D. STUDENTS

NAME: _____ **DATE:** _____

I. Teaching Assistant. All Ph. D. students in the Department of Biological Sciences are required to serve as Teaching Assistants in at least one course (minimum of one laboratory section) for at least one semester. List below the laboratory sections you have taught, the semester(s) in which they were taught, and the name of the faculty coordinator for the course.

II. Lecturer or leader of alternative educational activity. All Ph. D. students in the Biology Department also must serve as a lecturer in a section of an established course or lead a workshop or other educational activity. List below the title and dates of the lectures/educational activity you delivered.
