College of Education Department of Educational Psychology

PRACTICUM LABORATORY

PROGRESS NOTES FORM

Each progress note should include:

- 1. A brief description of what occurred during the session.
- 2. Indication that progress was made/not made toward <u>identifying</u> treatment goals OR indication that the client made/failed to make progress toward achieving goals.
- 3. Plans for future sessions OR indication that case was terminated.
- 4. Counselor's signature.
