Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

NOTE: The first cohort of students began the program in Fall 2016.

The Combined Counseling/School Psychology PhD Program conforms to the NAU Graduate College Transfer Policy.

As detailed in the Doctoral Student Handbook. There is no specific limit to the number of transfer credits applied toward the doctoral degree. Doctoral practica and internship, doctoral topics in health service psychology, and advanced doctoral research courses are not transferrable. Generally, students meet with the advisor to determine which prior graduate courses may potentially transfer to the program of study. During this meeting, students present the transcript and syllabi for the course(s) they wish to have considered for transfer. Based on review of these with the advisor, the student must

then follow the policy and procedure as outlined in the Graduate College policy, including completion of the Petition for Transfer Credit form that requires advisor, Department Chair/Training Director, and Graduate College approval.
