

ADOS-2 CLINICAL WORKSHOP FOR PROFESSIONALS IN NORTHERN ARIZONA

Hosting Organization: Institute for Human Development

Location: 912 S. Riordan Ranch St. Bldg 27A, Flagstaff, AZ 86011 (Room 111)

Date: January 22nd - 23rd , 2026 (Thursday-Friday)

Time: 8:30am – 4:30pm - *local time on both days*

Registration Link: https://qualtrics.nau.edu/jfe/form/SV_7WCQBBmvAFE0at8

Limited availability, reserved for professionals who conduct Autism Evaluations

Purpose

Autism Diagnostic Observation Schedule, Second Edition (ADOS®-2) administration and coding are highly standardized. Therefore, valid assessment requires a trained and clinically experienced examiner.

Course Description

In just two days, learn the potential uses of the ADOS-2 as part of a diagnostic evaluation for autism. You'll have the opportunity to practice scoring while observing the instructor administer the ADOS-2 to a child with autism. The workshop focuses primarily on Modules 1 through 4, and attendees are given materials to study later to complete training in the Toddler Module.

Cost

FREE for professionals of Northern Arizona who conduct Autism evaluations. Cost includes the 2-day course and access to Pre- and Post-course Materials in the WPS Professional Learning Center (WPS ProLearn®). The ADOS-2 Manual is **required** reading before attending the ADOS-2 Clinical Workshop and must be purchased separately (it is not included in your registration cost).

Earn 12 CE Credits

WPS is the Continuing Education sponsor of the ADOS-2 Clinical Workshop.
